The longer training plan
200m warm up
2*100m stroke of your choice, turn without touching the wall
4*25m kicks underwater
3*(50m kicks as fast as possible, 50m easy, 50m only arms, 50m kicks as fast as possible)
200m cool down
Total: 1500m

The shorter training plan
100m warm up
2*75m 25m freestyle, 25m backstroke, 25m breaststroke
6*25m kicks, hold same speed for each 25m
2*100m focus on breathing out in the water and keeping one eye in the water when breathing in
3*(50m swim fast, 25m catch up drill, 25m four strokes freestyle + 4 strokes backstroke etc)
100m cool down
Total: 1000m

The longer training plan
200m warm up
2*100m stroke of your choice, turn without touching the wall
4*25m kicks underwater
3*(50m kicks as fast as possible, 50m easy, 50m only arms, 50m kicks as fast as possible)
200m cool down
Total: 1500m

The shorter training plan
100m warm up
2*75m 25m freestyle, 25m backstroke, 25m breaststroke
6*25m kicks, hold same speed for each 25m
2*100m focus on breathing out in the water and keeping one eye in the water when breathing in
3*(50m swim fast, 25m catch up drill, 25m four strokes freestyle + 4 strokes backstroke etc)
100m cool down
Total: 1000m

The longer training plan
200m warm up
100m freestyle (look up towards where you are going every 6 strokes)
4*50m kicks as fast as you can
200m backstroke (4 strokes w/ one arm, 4 strokes w/ the other arm, 4 strokes w/ both arms)
4*25m freestyle as fast as you can, take as few breaths as possible
100m breaststroke (arms by your side, try to touch your fingertips with each legstroke)
2*100m stroke of your choice, turn without touching the wall
200m cool down
Total: 1300m

The shorter training plan
100m warm up
4*25m swim with 10s rest
50m kicks
2*50m backstroke with 15s rest
100m swim as fast as you can
50m kicks
4*50m, try to only use your arms, kick a little so that you're legs don’t sink
100m cool down
Total: 800m

The longer training plan
200m warm up
100m freestyle (look up towards where you are going every 6 strokes)
4*50m kicks as fast as you can
200m backstroke (4 strokes w/ one arm, 4 strokes w/ the other arm, 4 strokes w/ both arms)
4*25m freestyle as fast as you can, take as few breaths as possible
100m breaststroke (arms by your side, try to touch your fingertips with each legstroke)
2*100m stroke of your choice, turn without touching the wall
200m cool down
Total: 1300m

The shorter training plan
100m warm up
4*25m swim with 10s rest
50m kicks
2*50m backstroke with 15s rest
100m swim as fast as you can
50m kicks
4*50m, try to only use your arms, kick a little so that you're legs don’t sink
100m cool down
Total: 800m

The longer training plan
200m warm up
4*50m (increase speed every 50m, last 50m should be super fast) 10s rest between each 50m
100m kicks
6*50m (25m fast, 25m easy) 15s rest between each 50m
100m easy
100m only arms
2*100m breaststroke (increase your speed every 25m, last 25m should be super fast)
200m cool down
Total: 1400m

The shorter training plan
100m warm up
4*25m kicking on your back
4*50m swim with 30s rest between each 50m
2*50m swim with 20s rest, different stroke from the 4*50m
100m cool down
Total: 600m

The longer training plan
200m warm up
4*50m (increase speed every 50m, last 50m should be super fast) 10s rest between each 50m
100m kicks
6*50m (25m fast, 25m easy) 15s rest between each 50m
100m easy
100m only arms
2*100m breaststroke (increase your speed every 25m, last 25m should be super fast)
200m cool down
Total: 1400m

The shorter training plan
100m warm up
4*25m kicking on your back
4*50m swim with 30s rest between each 50m
2*50m swim with 20s rest, different stroke from the 4*50m
100m cool down
Total: 600m

Longer training plan
200m warm up
2* the pyramid (stroke of your choice):
- 100m: 10s rest
- 150m: 15s rest
- 200m: 20s rest
- 150m: 15s rest
- 100m: 10s rest
- 100m slow: 60s rest

The pyramid should be at a quite fast tempo so that you're properly tired at the end!
100m cool down
Total: 1900m

Shorter training plan
100m warm-up
2*50m kicking on your back
2*50m superman
2*50m kicking in streamlineposition with freestyle strokes when breathing
2*100m freestyle drills (tickling your armpit, handclap, surfing, butterfly kicks)
2*25m skulling
4*50m do as few strokes as possible per 25m
100m cold down
Total: 1000m

Longer training plan
200m warm up
2* the pyramid (stroke of your choice):
- 100m: 10s rest
- 150m: 15s rest
- 200m: 20s rest
- 150m: 15s rest
- 100m: 10s rest
- 100m slow: 60s rest

The pyramid should be at a quite fast tempo so that you're properly tired at the end!
100m cool down
Total: 1900m

Shorter training plan
100m warm-up
2*50m kicking on your back
2*50m superman
2*50m kicking in streamlineposition with freestyle strokes when breathing
2*100m freestyle drills (tickling your armpit, handclap, surfing, butterfly kicks)
2*25m skulling
4*50m do as few strokes as possible per 25m
100m cold down
Total: 1000m

Longer training plan
200m warm-up (100m optional, 50m kicking, 50m only arms)
4*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim: good technique)
4*75m butterfly kicks (25m on your tummy, 25m on the side, 25m on your back)
4*50m freestyle kicks on your back - as fast as possible: rest 10s
2*100m medley drills (do a drill for each stroke instead of swimming regularly)
4*35m max speed stroke of your choice, 15m cool down, rest 20s.
50m swim with your feet first (sculling backwards)
100-300m cool down
Total: 1700-1900m

Shorter training plan
100m warm-up
2*50m kicking on your back
2*50m superman
2*50m kicking in streamlineposition with freestyle strokes when breathing
2*100m freestyle drills (tickling your armpit, handclap, surfing, butterfly kicks)
4*25m skulling
4*75m do as few strokes as possible per 25m
100-300m cold down
Total: 1100-1300m

Longer training plan
200m warm-up (100m optional, 50m kicking, 50m only arms)
4*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim: good technique)
4*75m butterfly kicks (25m on your tummy, 25m on the side, 25m on your back)
4*50m freestyle kicks on your back - as fast as possible: rest 10s
2*100m medley drills (do a drill for each stroke instead of swimming regularly)
4*35m max speed stroke of your choice, 15m cool down, rest 20.
50m swim with your feet first (sculling backwards)
100-300m cool down
Total: 1700-1900m

Shorter training plan
100m warm-up
2*50m kicking on your back
2*50m superman
2*50m kicking in streamlineposition with freestyle strokes when breathing
2*100m freestyle drills (tickling your armpit, handclap, surfing, butterfly kicks)
4*25m skulling
4*75m do as few strokes as possible per 25m
100-300m cold down
Total: 1100-1300m

Longer training plan
200m warm up
100m kicks on your back (free choice between butterfly or freestyle kicks)
Set: breaststroke
3* (100m: 1 armstroke 2 legstrokes, 100m: as high as possible, 50m w/ butterfly kicks)
Set: freestyle
3* (100m: kick 5m after each turn, 50m only arms, 100m as fast as possible)
200m cool-down
Total: 2000m

Shorter training plan
100m warm up
50m floating on your back (you kick a tiny bit to move forward but the focus is floating)
100m kicking on your back in streamline position
100m backstroke: focus on your arms (just kick enough to stay afloat)
2*100m backstroke using both arms & legs
200m cool-down
Total: 750m

Longer training plan
200m warm up
100m kicks on your back (free choice between butterfly or freestyle kicks)
Set: breaststroke
3* (100m: 1 armstroke 2 legstrokes, 100m: as high as possible, 50m w/ butterfly kicks)
Set: freestyle
3* (100m: kick 5m after each turn, 50m only arms, 100m as fast as possible)
200m cool-down
Total: 2000m

Shorter training plan
100m warm up
50m floating on your back (you kick a tiny bit to move forward but the focus is floating)
100m kicking on your back in streamline position
100m backstroke: focus on your arms (just kick enough to stay afloat)
2*100m backstroke using both arms & legs
200m cool-down
Total: 750m

Longer training plan
200m warm up
100m freestyle kicks on your back
4*50m breaststroke drills (ex. freestyle kicks, swimming with one arm, butterfly kicks)
100m easy
4*50m freestyle drills (ex. surfing, tickling the armpit, butterfly kicks, one arm swimming)
100m easy
4*50m butterfly drills (ex. one arm swimming, only kicks, diving to the bottom)
100m sculling
100m easy
4*25m as fast as possible, stroke of your choice
100m backstroke easy
4*25m breaststroke under water
200m cool-down
Total: 1800m

Shorter training plan
200m warm up (50m swim, 50m kick, 50m catch up, 50m swim)
2*50m swim as fast as you can
2*50m kicks
2*100m trying to only use your arms (kick to avoid your legs sinking)
2*50m swim as fast as you can
4*25m focus on getting as much power as possible in each kick and stroke
100m cool down
Total: 900m

Longer training plan
200m warm-up
2*50m (25m kicks on your side, 25m one arm swimming freestyle)
2*50m only arms, stroke of your choice
Set: stroke of your choice
4* (50m kicks, 50m as few strokes as possible, 50m as few breaths as possible, 50m fast)
100m easy
200m cool-down
Total: 1500m

Shorter training plan
150m warmup
8*25m fast, 30s rest
100m with one less stroke per 25m
4*25m try to only breathe 5 times per 25 m
100m with one less stroke per 25m
150m cool down
Total: 800m

Longer training plan
200m warm-up
2*50m (25m kicks on your side, 25m one arm swimming freestyle)
2*50m only arms, stroke of your choice
Set: stroke of your choice
4* (50m kicks, 50m as few strokes as possible, 50m as few breaths as possible, 50m fast)
100m easy
200m cool-down
Total: 1500m

Shorter training plan
150m warmup
8*25m fast, 30s rest
100m with one less stroke per 25m
4*25m try to only breathe 5 times per 25 m
100m with one less stroke per 25m
150m cool down
Total: 800m

The longer training plan
200m warm up
4*50m freestyle drills (ex. surfing, tickling the armpit, butterfly kicks, one arm swimming)
4*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
200m backstroke (4 strokes w/ one arm, 4 strokes w/ the other arm, 4 strokes w/ both arms)
4*50m do as few strokes as possible per 25m
3*(50m swim fast, 25m catch up drill, 25m four strokes freestyle + 4 strokes backstroke etc)
200m cool down
Total: 1600m

The shorter training plan
100m warm-up
2*100m freestyle drills (tickling your armpit, handclap, surfing, butterfly kicks)
4*25m skulling
100m with one less stroke per 25m
2*100m focus on breathing out in the water and keeping one eye in the water when breathing in
100m cool down
Total: 800m

The longer training plan
200m warm up
4*50m freestyle drills (ex. surfing, tickling the armpit, butterfly kicks, one arm swimming)
4*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
200m backstroke (4 strokes w/ one arm, 4 strokes w/ the other arm, 4 strokes w/ both arms)
4*50m do as few strokes as possible per 25m
3*(50m swim fast, 25m catch up drill, 25m four strokes freestyle + 4 strokes backstroke etc)
200m cool down
Total: 1600m

The shorter training plan
100m warm-up
2*100m freestyle drills (tickling your armpit, handclap, surfing, butterfly kicks)
4*25m skulling
100m with one less stroke per 25m
2*100m focus on breathing out in the water and keeping one eye in the water when breathing in
100m cool down
Total: 800m

The longer training plan
200m warm up
3*50m freestyle drills (ex. closed-fist, head up out of the water, catch-up)
2*50m kicks (50m freestyle, 50m on the back)
400m freestyle distance swimming, continuous pace (focus on a steady rhythm)
2*75m breaststroke (25m only arms, 25m easy, 25m only legs)
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
3*100m freestyle (50m fast, 50m easy)
200m cool down
Total: 1650m

The shorter training plan
100m warm up
4*25m catch up drill
4*25m kicks, hold the same speed for each 25m
200m freestyle distance swimming, continuous pace (focus on a steady rhythm)
2*100m freestyle (increase your speed every 25m, last 25m should be very fast)
100m cool down
Total: 800m

The longer training plan
200m warm up
3*50m freestyle drills (ex. closed-fist, head up out of the water, catch-up)
2*50m kicks (50m freestyle, 50m on the back)
400m freestyle distance swimming, continuous pace (focus on a steady rhythm)
2*75m breaststroke (25m only arms, 25m easy, 25m only legs)
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
3*100m freestyle (50m fast, 50m easy)
200m cool down
Total: 1650m

The shorter training plan
100m warm up
4*25m catch up drill
4*25m kicks, hold the same speed for each 25m
200m freestyle distance swimming, continuous pace (focus on a steady rhythm)
2*100m freestyle (increase your speed every 25m, last 25m should be very fast)
100m cool down
Total: 800m

The longer training plan
200m warm up
3*50m freestyle drills (ex. closed-fist, surfing, catch-up)
2*150m (50m kicks as fast as possible, 50m easy, 50m only arms)
2*100m stroke of your choice, turn without touching the wall
3 sets breaststroke (first 100m: 1 armstroke 2 legstrokes, then 100m: as high as possible, last 50m w/ butterfly kicks)
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
2*100m(50m as few strokes as possible, 50m as few breaths as possible)
200m cool down
Total: 1650m

The shorter training plan
100m warm up
3*50m freestyle drills (ex. closed-fist, surfing, catch-up)
50m kicks
2*50m stroke of your choice, turn without touching the wall
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
4*25m try to only breathe 5 times per 25 m
100m cool down
Total: 750m

The longer training plan
200m warm up
3*50m freestyle drills (ex. closed-fist, surfing, catch-up)
2*150m (50m kicks as fast as possible, 50m easy, 50m only arms)
2*100m stroke of your choice, turn without touching the wall
3 sets breaststroke (first 100m: 1 armstroke 2 legstrokes, then 100m: as high as possible, last 50m w/ butterfly kicks)
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
2*100m(50m as few strokes as possible, 50m as few breaths as possible)
200m cool down
Total: 1650m

The shorter training plan
100m warm up
3*50m freestyle drills (ex. closed-fist, surfing, catch-up)
50m kicks
2*50m stroke of your choice, turn without touching the wall
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
4*25m try to only breathe 5 times per 25 m
100m cool down
Total: 750m

The longer training plan
200m warm up
3*100m mixed freestyle drills (alternate between drill and normal every 25m; ex.: 1) closed-fist,
2) overkick (kick at 2x tempo while maintaining normal arm speed),
3) Singapore drills (one arm normal, the other stays in the water))
2*150m (50m kicks as fast as possible, 50m easy, 50m only arms with minimal leg movement)
100m kicking on your back in streamline position
100m backstroke: focus on your arms (just kick enough to stay afloat)
2*100m backstroke using both arms & legs
200m stroke of your choice (try to do it without break)
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m mixed freestyle drills (alternate between drill and normal every 25m; ex.: 1) closed-fist,
2) overkick (kick at 2x tempo while maintaining normal arm speed),
3) Singapore drills (one arm normal, the other stays in the water))
50m kicking on your back in streamline position
100m backstroke: focus on your arms (just kick enough to stay afloat)
100m backstroke using both arms & legs
100m cool down
Total: 750m

The longer training plan
200m warm up
3*100m mixed freestyle drills (alternate between drill and normal every 25m; ex.: 1) closed-fist,
2) overkick (kick at 2x tempo while maintaining normal arm speed),
3) Singapore drills (one arm normal, the other stays in the water))
2*150m (50m kicks as fast as possible, 50m easy, 50m only arms with minimal leg movement)
100m kicking on your back in streamline position
100m backstroke: focus on your arms (just kick enough to stay afloat)
2*100m backstroke using both arms & legs
200m stroke of your choice (try to do it without break)
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m mixed freestyle drills (alternate between drill and normal every 25m; ex.: 1) closed-fist,
2) overkick (kick at 2x tempo while maintaining normal arm speed),
3) Singapore drills (one arm normal, the other stays in the water))
50m kicking on your back in streamline position
100m backstroke: focus on your arms (just kick enough to stay afloat)
100m backstroke using both arms & legs
100m cool down
Total: 750m

The longer training plan
200m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) catch-up,
2) surfing,
3) Singapore drills (one arm normal, the other also paddles, but stays in the water))
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
5*50m (breathe every 2nd, 3rd, … 6th stroke)
2*150m (50m kicks, 50m easy, 50m only arms with minimal leg movement)
200m backstroke
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) catch-up,
2) surfing, 3) closed-fist)
50m sculling: 25m regular sculling, 25m mid-way sculling
50m kicking
4*25m (breathe every 2nd, 3rd, 4th, 5th stroke)
100m cool down
Total: 700m

The longer training plan
200m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) catch-up,
2) surfing,
3) Singapore drills (one arm normal, the other also paddles, but stays in the water))
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
5*50m (breathe every 2nd, 3rd, … 6th stroke)
2*150m (50m kicks, 50m easy, 50m only arms with minimal leg movement)
200m backstroke
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) catch-up,
2) surfing, 3) closed-fist)
50m sculling: 25m regular sculling, 25m mid-way sculling
50m kicking
4*25m (breathe every 2nd, 3rd, 4th, 5th stroke)
100m cool down
Total: 700m

The longer training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) surfing, 2) tickling the armpit, 3) butterfly kicks, 4) one arm swimming)
2*100m sprint - time yourself! (or let someone time you)
3*100m backstroke drills (alternating as well; ex. 1) kicks on your back, 2) one-armed, 3) closed fist)
3*100m mixed (75m backstroke, 25m butterfly)
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) surfing, 2) tickling the armpit, 3) one arm swimming)
2*50m sprint - time yourself! (or let someone time you)
2*75m breaststroke (25m only arms, 25m easy, 25m only legs)
100m cool down
Total: 750m

The longer training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) surfing, 2) tickling the armpit, 3) butterfly kicks, 4) one arm swimming)
2*100m sprint - time yourself! (or let someone time you)
3*100m backstroke drills (alternating as well; ex. 1) kicks on your back, 2) one-armed, 3) closed fist)
3*100m mixed (75m backstroke, 25m butterfly)
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) surfing, 2) tickling the armpit, 3) one arm swimming)
2*50m sprint - time yourself! (or let someone time you)
2*75m breaststroke (25m only arms, 25m easy, 25m only legs)
100m cool down
Total: 750m

The longer (harder) training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) surfing, 2) tickling the armpit, 3) corkscrew, 4) one arm swimming)
2*(50m kicks, 50m only arms, 50m easy, 50m as few breaths as possible)
3*100m backstroke drills (alternating as well; ex.: 1) kicks on your back, 2) one-armed, 3) closed fist)
100m backstroke
200m cool down
Total: 1600m

The shorter (easier) training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) surfing, 2) tickling the armpit, 3) one arm swimming)
2*(25m kicks, 25m easy, 25m only arms, 25m easy)
100m cool down
Total: 700m

The longer (harder) training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) surfing, 2) tickling the armpit, 3) corkscrew, 4) one arm swimming)
2*(50m kicks, 50m only arms, 50m easy, 50m as few breaths as possible)
3*100m backstroke drills (alternating as well; ex.: 1) kicks on your back, 2) one-armed, 3) closed fist)
100m backstroke
200m cool down
Total: 1600m

The shorter (easier) training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) surfing, 2) tickling the armpit, 3) one arm swimming)
2*(25m kicks, 25m easy, 25m only arms, 25m easy)
100m cool down
Total: 700m

The longer training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) closed-fist, 2) catch-up, 3) Singapore drills, 4) sculling)
3* breaststroke: (50m 1 armstroke 2 legstrokes, 50m easy, 50m as high as possible, 50m with freestyle kicks)
200m turn without touching the wall
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) closed-fist, 2) catch-up, 3) sculling)
2* breaststroke: (25m 1 armstroke 2 legstrokes, 25m easy, 25m as high as possible, 25m with freestyle kicks)
2*50m turn without touching the wall
100m cool down
Total: 800m

The longer training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) closed-fist, 2) catch-up, 3) Singapore drills, 4) sculling)
3* breaststroke: (50m 1 armstroke 2 legstrokes, 50m easy, 50m as high as possible, 50m with freestyle kicks)
200m turn without touching the wall
200m cool down
Total: 1600m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every 25m; ex.: 1) closed-fist, 2) catch-up, 3) sculling)
2* breaststroke: (25m 1 armstroke 2 legstrokes, 25m easy, 25m as high as possible, 25m with freestyle kicks)
2*50m turn without touching the wall
100m cool down
Total: 800m

The longer training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) closed-fist,
2) overkick (kick at 2x tempo while maintaining normal arm speed), 3) one arm, 4) corkscrew)
2*150m (50m kicks, 50m easy, 50m only arms)
300m stroke of your choice (try to do it without break)
2*(50m kicks on your back, 50m backstroke: focus on your arms (just kick enough to stay afloat))
100m normal backstroke
200m cool down
Total: 1700m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) tickling your armpits, 2) overkick (kick at 2x tempo while maintaining normal arm speed), 3) one arm)
2*50m (25m as few breaths as possible, 25m easy)
50m kicks
100m stroke of your choice (try to do it without break)
100m cool down
Total: 750m

The longer training plan
200m warm up
4*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) closed-fist,
2) overkick (kick at 2x tempo while maintaining normal arm speed), 3) one arm, 4) corkscrew)
2*150m (50m kicks, 50m easy, 50m only arms)
300m stroke of your choice (try to do it without break)
2*(50m kicks on your back, 50m backstroke: focus on your arms (just kick enough to stay afloat))
100m normal backstroke
200m cool down
Total: 1700m

The shorter training plan
100m warm up
3*100m freestyle drills (alternate between drill and normal every lane; ex.: 1) tickling your armpits, 2) overkick (kick at 2x tempo while maintaining normal arm speed), 3) one arm)
2*50m (25m as few breaths as possible, 25m easy)
50m kicks
100m stroke of your choice (try to do it without break)
100m cool down
Total: 750m

The longer training plan
200m warm up
3*50m freestyle drills (ex. closed-fist, head up out of the water, catch-up)
100m kicks (25m freestyle, 25m on the back, 25m on one side, 25m one the other side)
400m freestyle distance swimming, continuous pace (focus on a steady rhythm)
200m backstroke (4 strokes one arm, 4 strokes the other arm, 4 strokes w/ both arms, repeat…)
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
3*100m freestyle (50m fast, 50m easy)
200m cool down
Total: 1700m

The shorter training plan
100m warm up
4*25m catch up drill
4*25m kicks, hold the same speed for each 25m
200m freestyle distance swimming, continuous pace (focus on a steady rhythm)
2*100m freestyle (increase your speed every 25m, last 25m should be very fast)
100m cool down
Total: 800m

The longer training plan
200m warm up
3*50m freestyle drills (ex. closed-fist, head up out of the water, catch-up)
2*50m kicks (50m freestyle, 50m on the back)
400m freestyle distance swimming, continuous pace (focus on a steady rhythm)
2*75m breaststroke (25m only arms, 25m easy, 25m only legs)
2*75m (25m regular sculling, 25m mid-way sculling, 25m normal swim)
3*100m freestyle (50m fast, 50m easy)
200m cool down
Total: 1650m

The shorter training plan
100m warm up
4*25m catch up drill
4*25m kicks, hold the same speed for each 25m
200m freestyle distance swimming, continuous pace (focus on a steady rhythm)
2*100m freestyle (increase your speed every 25m, last 25m should be very fast)
100m cool down
Total: 800m
